Subject:	Nicotine review publication

Re: Nicotine metabolism, human drug metabolism polymorphisms, and smoking behaviour, Toxicology 183, 151-173, 2003

Please find the attached publication which has recently appeared in the journal Toxicology.

I am very grateful to the PMI MRB and the reviewers of the manuscript draft for their helpful comments and suggestions - the next manuscript will soon be on its way!

With best regards,
Tony
